LAUTARO MARTINEZ "EA SPORTS FC PLAYER OF THE MONTH" FOR MAY The award will be presented to Inter forward in the pre-match of Bologna-Inter

21 May 2026

The **EA SPORTS FC Player Of The Month** award for May has been assigned to Inter player **Lautaro Martinez**. The trophy will be presented during the pre-match of Bologna-Inter scheduled for Saturday 23 May 2026 at 6.00 p.m at the "Renato Dall'Ara" stadium in Bologna.

The fans' votes online, combined with individual statistical data, determined Lautaro Martinez as the winner, beating champions like Laurientè (Sassuolo), Malen (Roma), Noslin (Lazio), Okoye (Udinese), Vlahovic (Juventus).

The six best players of the month have been selected taking into account the advanced analysis of Kama Sport, created from the tracking data recorded with the Hawk-Eye system. The rating system considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 35 to 36 of Serie A 2025/2026.

*"In a triumphant season for Inter, Lautaro Martinez has definitively established himself as a key player and a true captain - said **Luigi De Siervo**, CEO of Lega Calcio Serie A -. Despite an injury that kept him off the pitch for eight matches, the striker for the World Cup-winning Argentina national team was crucial with important goals that proved decisive in winning the Scudetto, and he continued to impress in May with a goal and two assists. His goal-scoring instinct, ability to link up with the team's attacking play, determination and charisma make Lautaro Martinez a formidable striker and an absolute top player on the world stage".*
