LAUTARO MARTINEZ "EA SPORTS FC PLAYER OF THE MONTH" FOR DECEMBER
The award will be presented to Inter forward in the pre-match of Inter vs Lecce

The **EA SPORTS FC Player Of The Month** award for December has been assigned to Inter player **Lautaro Martinez**. The trophy will be presented during the pre-match of Inter vs Lecce, scheduled for Wednesday 14th January 2026 at 8.45pm at the "Giuseppe Meazza" siadium in Milan.

The fans' votes online, combined with individual statistical data, determined Lautaro Martinez as the winner, beating champions like Hojlund (Napoli), Pulisic (Milan), Scamacca (Atalanta), Vlasic (Torino), Yildiz (Juventus).

The six best players of the month have been selected taking into account the advanced analysis of Kama Sport, created from the tracking data recorded with the Hawk-Eye system. The rating system considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 14 to 17 of Serie A 2025/2026.

"In December, Lautaro Martinez was one of Inter's driving forces in their return to the top of the table - said **Luigi De Siervo**, CEO of Lega Calcio Serie A -. *This award is well deserved, not only for his three goals and one assist in three games, but also for his spirit, determination, and willingness to sacrifice himself to help his teammates. At 28, Lautaro is now at the peak of his footballing maturity, able to combine his goalscoring abilities with link-up play and maneuvering. His 10 goals so far this season put him at the top of the scoring charts, making him one of the favorites to win the award at the end of the season".*
