CESC FABREGAS PHILADELPHIA COACH OF THE MONTH FOR MARCH

The award will be presented to Como coach in the pre-match of
Como vs Inter

The **Philadelphia Coach Of The Month** award for March has been assigned to Como coach **Cesc Fabregas**. The trophy will be presented during the pre-match of Como vs Inter, scheduled for Sunday 12th April at 8.45 pm at the "Giuseppe Sinigaglia" in Como.

The award was assigned by a jury of Directors of sports media who evaluated each coach on the basis of technical and sporting criteria and the quality of play of their teams.

For the final calculation were considered the matchdays from 27 to 30 of Serie A 2025/2026

*"Cesc Fàbregas is the driving force behind a project that is revolutionising Como, bringing them one step closer to the Champions League with four wins from four matches. A manager who is making his mark on the Italian championship". **Luigi De Siervo**, CEO of Lega Calcio Serie A, has no doubts: "Fabregas is a leader, not only because of his CV packed with titles won as a player, but above all because of how he is interpreting the role of a modern manager, always striving for spectacular football. His philosophy is clear: high pressing, occupying space and seeking verticality. The result? Como are the team with the best defence and the second-best attack in the league, a perfect balance between offensive and defensive phases. Fabregas' ability to engage the players created a strong sense of belonging and trust. A leader who makes no compromises and who is leading Como to achieve goals never imagined before".*
