ANTONIO RAIMONDO "RISING STAR OF THE MONTH" FOR AUGUST-SEPTEMBER

The award will be presented to the Frosinone striker in the pre-match ceremony for Frosinone vs Sassuolo

The **Rising Star Of The Month** award for August-September has been assigned to Frosinone player **Antonio Raimondo**. The trophy will be presented during the pre-match of Frosinone-Sassuolo, scheduled for Friday 16 October at 8.45 p.m. at the "Benito Stirpe" stadium in Frosinone.

The winner of the trophy, reserved for **Under-23** players (born starting from 1 January 2004), has been selected taking into account the advanced analysis of Kama Sport, created from the tracking data recorded with the Hawk-Eye system. The rating system considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 1 to 5 of Serie A 2026/2027.

*"An Italian talent starts the awards season for the best young players in our League - commented **Luigi De Siervo**, Chief Executive of Lega Calcio Serie A -. At Frosinone, Antonio Raimondo is establishing himself as a key player at the start of this season, during which he has proved himself to be a striker capable of scoring by making the most of his technical ability. With four goals scored in his first five matches, Raimondo has earned this recognition, awarded to the best Under-23 players in Serie A, a league that attracts and develops the champions of the future".*
