## FEDERICO DIMARCO "EA SPORTS FC PLAYER OF THE MONTH" FOR JANUARY

**The award will be presented to Inter full-back in the pre-match of Inter vs Juventus**

The **EA SPORTS FC Player Of The Month** award for January has been assigned to Inter player **Federico Dimarco**. The trophy will be presented during the pre-match of Inter vs Juventus, scheduled for Saturday 14th February 2026 at 8.45pm at the "Giuseppe Meazza" stadium in Milan.

The fans' votes online, combined with individual statistical data, determined Lautaro Martinez as the winner, beating champions like Colombo (Genoa), David (Juventus), Douvikas (Como), Krstovic (Atalanta), Rabiot (Milan).

The six best players of the month have been selected taking into account the advanced analysis of Kama Sport, created from the tracking data recorded with the Hawk-Eye system. The rating system considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 18 to 22 of Serie A 2025/2026.

*"The fans voted Federico Dimarco as the best player of January, making him the first full-back to win this award since it was established in the 2019-20 season - said **Luigi De Siervo**, CEO of Lega Calcio Serie A -. In a game where exploiting the width of the pitch has become essential for developing attacking play, Dimarco has proven in recent weeks to be a real asset for Inter, both as an assist provider and as a dangerous attacking option thanks to his powerful and accurate finishing. The three goals and three assists he has recorded in the first month of the year demonstrate the extraordinary form of the Nerazzurri full-back, who has been a key player in Coach Chivu's tactical plans since the start of the season".*
