JAMIE VARDY "EA SPORTS FC PLAYER OF THE MONTH" FOR NOVEMBER

11 December 2025

The **EA SPORTS FC Player Of The Month** award for November has been assigned to Cremonese player **Jamie Vardy**. The fans' votes online, combined with individual statistical data, determined Frank Zambo Anguissa as the winner, beating champions like Maignan (Milan), Lautaro Martinez (Inter), Neres (Napoli), Ostigard (Genoa), Zaniolo (Udinese).

The six best players of the month have been selected taking into account the advanced analysis of Kama Sport, created from the tracking data recorded with the Hawk-Eye system. The rating system considers not only statistical data and technical events, but also positional data. This makes it possible to analyse crucial aspects such as movement without the ball and thus optimal movements, game choices, and the contribution to the technical and physical efficiency of the team, which allow for an objective and qualitative evaluation of the performance.

For the final calculation were considered the matchdays from 10 to 13 of Serie A 2025/2026.

*"Jamie Vardy is truly a player from another era - said **Luigi De Siervo**, CEO of Lega Calcio Serie A -, one of those talents who, with their history, their achievements and the indomitable spirit with which they live every match, best express the romance of football. His arrival at Cremonese, who were quick to seize the opportunity this summer, was greeted with great enthusiasm by all Serie A fans, and Vardy is repaying them with top-level performances, innate leadership and important goals, the result of the competitive spirit and shooting skills that have always distinguished him".*
